

## **DECREE FOR THE ABOLITION OF WAR**

**WE AS CITIZENS OF THE WORLD AND PARTICIPANTS IN THE  
"FORUM OF THE 1ST STAGE OF THE WORLD CITIZENS  
PARLIAMENT", HAVE RESOLVED TO DECREE, TOGETHER WITH  
ALL THE PEOPLE WHO ADHERE TO THIS CAUSE,**

### ***THE ABOLITION OF WAR***

Now, to give greater legitimacy and effectiveness to this Decree, it is urgent to promote **World Citizens Parliament**, arising from the vote and the popular representation of free and equal citizens, to force the world's governments and financial institutions and their conglomerate of transnational corporations to take real and effective action in favor of the human family and the health of the planet. All this to make real The Abolition of War and in order to achieve recovery of the dignity of all living beings, cooperation between nations and peaceful coexistence between different communities of the multicultural mosaic of our Planet Earth.

Therefore, we proceed to express the following:

### **CONSIDERATIONS**

**1.- In consideration** that war destroys human beings and the environment, divide and erode the social tissue causing death and desolation of millions and millions of human beings and other living beings on the planet Earth,

**2.- In consideration** that the war is a big business for the interests of great powers, with the complicity of the World Bank and big transnational corporations suppliers of the so-called military industrial complex at a global scale,

**3.- In consideration** that the progress of science and technology has facilitated mutual understanding between countries and explosive contact of millions of people through social networks that have made globalization of human contact a reality and that with this, its confirmed once again that the Earth is our only home and today no longer exists any justification for the war amongst humans,

**4.- In consideration** that it is a myth the need to spend trillions of dollars of material and financial resources that have been allocated to the industry of war for many decades and that instead, in the future such resources could be used for social infrastructure in favor of education, health, housing, communication and worthy occupation of human beings, and

**5.- In consideration** that we citizens of the world, being in constant contact, are aware of our need to live in peace, favoring dialogue and seeking the common good for a better world for future generations,

REAFFIRM AS CITIZENS OF THE WORLD THAT:

With this Decree, **the war has been prohibited**, based on the essential Principle of the **sovereignty of the people of the world**, and in exercise of the Sovereign Right that emanates from this Principle,
